Dear Mr. Clyde:

The Division has completed a review of your latest response regarding your large mine plan, received May 13, 2008. The Division is now prepared to tentatively approve the large mining permit application. The notice of tentative approval will be published in the appropriate Salt Lake City and Provo newspapers (copy attached). This will begin a 30-day public comment period. If no substantive comments are received during the public comment period, the Division will then issue its final approval for this project.

Prior to issuing final approval, we require that you provide us with:

1. Two copies of the complete and corrected plan. When final approval is issued, one copy will be stamped "approved" and returned to you for your records.
2. A Reclamation Contract (Form MR-RC) and reclamation surety in the amount of \$938,346.00. Please contact Penny Berry at 801-538-5291 or bondcoordinator@utah.gov to obtain the appropriate bond and reclamation contract forms.
3. If available, an electronic copy of the mine disturbed area in the original AutoCad, shape, or other file format. Please include the projection and datum information with this file. Contact danielsmith@utah.gov, 801-538-5292 for further information or questions.
